

Nursery Ministry

Jesus said, "Let the little children come to me and do not hinder them, for the kingdom of God belongs to such as these."

The Nursery ministry shares the experience of God's love with our children in a safe, nurturing, and fun environment. We can give our children no greater gift than the good news of Jesus' love for them and his promise of salvation. The nursery ministry needs someone like you to share this gift with our children.

Caring Mission

Jesus tells us that the most important commandment is to love the Lord with all your heart, soul, mind, and strength. He also tells us that the second most important commandment is to love each other.

This is the mission of the Caring Essential...to bring the love of Jesus Christ to those in need. It is the Caring Essential's desire to encourage and strengthen the caring relationships we have with our brothers and sisters in Christ. Jesus embraces us with His love. With His help, the ministries of the Caring Essential allow us to give a caring embrace to those in need, along with the reassurance that Jesus loves them.

*An Essential of Christian
Discipleship*

***"Bringing the love and support
of God to those in physical,
emotional, and spiritual need"***

Stephen Ministry

If you have the desire to really roll up your sleeves and provide a caring embrace for others, the Stephen Ministry is for you. The Stephen Ministry here at Zion Lutheran Church is comprised of compassionate people who provide one-on-one support to those who are going through a crisis or are in need of the friendship and closeness of the church family. You can help bring the love of Jesus to someone who is grieving the loss of a loved one. You can help assure someone who has an unexpected life change that Jesus is still watching out for them no matter how difficult times may seem. Training is required in order to be accepted as a Stephen minister but the help you can provide to someone else whose life has become difficult can be one of the most rewarding experiences of your life.

Elizabeth Ministry

The growth of a family through a birth or adoption is an exciting time. A new member of the family brings so much joy but there may be times that **help** is needed to meet the challenge and, at times, the difficulties of bringing a new person into the family. The Elizabeth Ministry is the newest Caring ministries at Zion Lutheran Church. The Elizabeth Ministry is designed to support women and their families during the joys, trials and sorrows of raising a family. Elizabeth Ministers are volunteers who offer peer support, mentoring and friendship to other women.

Through the Elizabeth Ministry, women volunteer to become mentors to other women by offering companionship, support, prayers and understanding through a variety of ways. This ministry encourages and reassures women who are pregnant or caring for a newborn. In addition to celebrating births, Elizabeth ministers reach out to those who have experienced miscarriage or the death of an infant or child. Elizabeth ministers are caring women who nurture or sustain other women facing the joys and challenges of raising a family.

Christ Care Groups

Have you ever wondered with it would be like to have a group of fellow Christians surround you with love and fellowship on a regular basis? When was the last time you really had a chance to frequently study the bible with your friends? Christ Care groups meet regularly to share God's word and to provide care and support for each group member. Zion has many Christ Care groups of varying sizes. However, we encourage the formation of new groups as well? Would you and your friends like to start one? Zion provides resources to help you and your group on the road to a strong, committed relationship with Jesus and with each other.
