

LOVE KITCHEN

The Love Kitchen is a new and growing organization at Zion Lutheran Church. Our mission is to reach out to the members of our church and community to let them know that Zion Lutheran Church is remembering them in our thoughts and prayers.

Let us tell you about the Love Kitchen setup. We have three groups: cookie bakers, casserole makers and the group that makes the deliveries. We reach out to the people who have just gotten out of the hospital, families with new babies and those with a death in the family. We plan on a two-week timeframe for deaths or new babies; meals for returns from hospitalizations will be sooner. We have just recently opened this ministry up to requests by parishioners for neighbors or friends.

The Love Kitchen began with an idea and three ladies. With the help of God and many willing participants we have grown and our prayer is that we will continue to grow. It seems to be that cookies appear in the freezer, delivery persons are always willing and the cooks – WOW!

God has been gracious; we thank Him every day for allowing the Love Kitchen to grow in reaching out and touching the lives of our members and members of the community. We ask that God will continue to bless the Love Kitchen and those who are touched by this Ministry of Zion Lutheran Church.

Some of the comments we have received so far include: “Being thought of . . . shows the evidence of this love ministry.” “What a nice gesture in supporting our family during . . .” and “The timing couldn’t have been better . . . we really enjoyed the meals.”
