

Loving Hands Ministry

Zion Lutheran Church

PURPOSE of the LOVING HANDS MINISTRY

As their hands knit or crochet Prayer Afghans, Shawls, Baptismal Booties and Bible Bookmark Crosses, the participants in this ministry are praying for the person who will receive the handmade item.

There are several reasons why someone will receive one of these gifts; a happy event, or a time of sadness or when comfort is needed.

This ministry is very special for the person who receives the gift but just as special to the person who made the item.

The people who knit and crochet are of varying ages and most of them furnish their own yarn. At times we have yarn available for their usage.
